A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 61, No. 17 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | 10c per copy | Thursday, April 29, 1954

Here are the 65 members of the A Capella Choir representing Campbell High school who as a group are rated in top position as northern California choir voices and who tomorrow evening will be heard in the Annual Spring Concert at the high school. Trained by Frank Triena, the A Capella choir will be presented in five numbers tomorrow night along with four other musical groups to round out one of the finest musical productions in local history. Preceeds from the affair go toward purchase of choir robes and band uniforms.

Church Selects Site At Carlyn And Campbell

Arrangements have been completed for the purchase of slightly more than three acres of orchard land on the south side of Campbell avenue at the Carlyn street intersection for use as a church site. This was announced Sunday by Mrs. Dorothy Royce, chairman of the new church committee for the Congregational Church of Campbell in connection with the observance of the 65th anniversary of the church.

The property is presently owned by Mr. and Mrs. Dubcich and from the point of view of the Community and the church, it is considered an excellent location for the church in that it is accessible from all directions. Church leaders say that architectural plans shall be such as to be a credit to the community.

Chamber Of Commerce

ANNUAL DINNER MEET MAY 19 AT HIGH SCHOOL

Arrangements were completed today for the annual dinner and business meeting of the Campbell Chamber of Commerce to be held at the high school on May 19, according to Don Prindle, executive secretary.

Speakers from the State Chamber of Commerce and local civic leaders are to be present. The business meeting is scheduled to get under way at 5:45 with the dinner meeting starting at 7 p. m.

An outline of work to be under taken in the new year will be outlined by the president seeking a unification of interest in the welfare of Campbell. Because of swift growth there is a need for strong leadership to keep pace with the growth.

Tickets for the dinner are to be made available from all members of the Chamber of Commerce who also will have final plans.

Laurance J. Hill On Cambrian Program Tuesday

The next meeting of the Cambrian Park Improvement Association will be held Tuesday, May 4, at 8 p. m. in the Parker School with John Banks, president, presiding.

Laurance Hill, superintendent of the Campbell Union High School districts, will discuss "Assembly Bill No. 1 and Annexation", as it will affect the relationship of Cambrian Park and Campbell High School district.

Steve Goodman, manager of Sanitation District No. 4, which includes the Cambrian district, will clarify taxes now paid to the sanitation district and also the costs of sewage if and when furnished by district No. 4.

A Red Cross representative will speak in connection with the blood mobile units' visit to the area May 6. It will be located in the Parker school cafetorium and donors will be accepted between 4 and 6:30 p. m.

Mrs. George Miskulin is chairman of the 1954 blood drive in the Cambrian area.

Bruce Allen Will Be Guest Speaker At Hyde Home Tomorrow

Assemblyman Bruce Allen will be guest speaker at a coffee party Friday at 2:00 p. m. at the Ralph Hyde home, 199 Alice Way, Campbell.

All interested persons are invited to attend.

SPRING CONCERT IN CAMPBELL TOMORROW NIGHT

The Music Department of Campbell Union High School is presenting its annual Spring Concert, at 8 o'clock tomorrow night featuring five musical groups and some 216 talented students with and without accompaniment

This concert opens with three orchestral selections under the direction of Dick Gordon. The overture will be "First Movement, Symphony No. 15" by Haydn. Then in lighter vein a string orchestra will perform Mozart's famous "Eine Kleine Nacht Musik" (a little night music). Bill Kaufmann will liven things up performing a bassoon solo while the orchestra races through "Two Movements from the Carmen Suite" by Bizet.

The concert will feature a premiere performance by the new 110 voiced combined glee club. Their rendition of "This Is My Country" will bring a patriotic tear to every eye in the auditorium and "Oklahoma Overture" (a real Spring sing song) will set many toes to tapping. Everybody likes negro spirituals and their idea of "Hand Me Down" is as original as their rendition of "Evening Pastorale" pensive.

The Campbell Band will play three numbers including Bach's "Great Fugue", "Finiculi, Finicula", and a sprightly Mexican National March, "Amparito Roca".

Then Mr. Frank Triena wil conduct his famous A Capella Choir (recently rated tops in Northern California) in five numbers. It is interesting to hear 65 voices divided into eight parts in a number as poignant as Thompson's "Alleluia". Two Negro spirituals will combine hand-clapping and harmony in "Rocka My Soul", and "Salvation Is Created". Then two soloists will be featured, Janice Muslow, a soprano in "Lost In the Night" and Bob Ledum, a baritone, in "The Battle Hymn of the Republic" which, of course, made Civil War soldiers "wanna go to war".

The proceeds will go toward the purchase of choir robes, band uniforms, music pins, and fees to the musical festival.

Central Committee Won't Endorse Now Until After Primary

By a 12 to 9 vote last night, the members of the Santa Clara County Republican Central Committee rescinded previous committee endorsement of Bruce Allen for reelection as Assemblyman from the 29th district. R. G. Gile of 601 Robin Way, Campbell, voted with the minority in favor of Allen's endorsement.

The committee, by 14 to 6 vote, went on record as not endorsing any candidate until after the June primary election.

CAKE WITH 100 CANDLES In the American Trust Bank on Campbell avenue Tuesday was in observance of the institution's 100th anniversary and servings with a glass of punch were made to over 300 visitors. Here, left to right are Jane Gugel of the Campbell Press, Verle Grizzle, president of the Campbell Chamber of Commerce, Joaquin Payne, manager of the Campbell Branch of the American Trust Bank and Lee Feasel of the Campbell Press. Mayor Richard Morton cut the first piece from the 5-tiered cake shown in foreground. Paloroid Pres Photo

Chamber Of Commerce Directorate

SEEKS CHANGE IN ANNUAL DATE OF OLD SETTLERS' DAY CELEBRATION

A recommendation to the incoming directors of the 1954-55 for the Campbell Chamber of Commerce that the date of the annual Old Settlers Day program be changed from Washington's Birthday to Armed Forces Day in May was proposed last Thursday evening at a meeting of the directorate. It was pointed out that the proposed change would:

1. Be a better guarantee of sunny weather, and
2. If the celebration is set for a date between May 1 and December 1, some advertising will be made available through the State Chamber of Commerce, the United States Chamber of Commerce and the Fairs Association. A brochure circulated nationally lists dates of all fairs and fiestas from May to December, and it is pointed out that because of holding the Old Settler Day celebration on February 22, the event has never appeared on this national listing.

Service clubs of Campbell are cautious about sponsoring the celebration only because of weather uncertainty.

A further recommendation of the present Board of Directors stated that this action should be facilitated soon after the new Board of Directors has assumed office so that the event may be planned and the sponsoring organization briefed. This event can be brought up to National recognition in the very near future because, the Board went on to say, it is the oldest single event in the State of California except the Tournament of Roses in Pasadena.

Hill Says Cambrian School Reality As Result Of Allen Bill

"Cambrian Park and many other areas would not now have high schools if it were not for the work of Assembylman Bruce Allen," Laurance Hill, superintendent of Campbell Union High School said in a statement this week.

"It would have been impossible to have the schools without Allen's bill, AB 1, which removed rural school districts from the adverse effects of annexation," Hill continued.

"Further, the continuance of Allen's bill and of his work in the Assembly is of prime importance in insuring a stabilized school district in the future," he added.

Hill is chairman of special events on Allen's campaign committee in the Campbell area.

The incumbent 29th District Assemblyman has been endorsed by Campbell Republican Assembly and all other assemblies which have met in the 29th District, by the County Republican Assembly, by the County Central Committee, and by the fact-finding committee for the district which screened all Republican candidates in the race.

Improvements are under way at the Friendly Shopping Center on Campbell Avenue, under the new management and ownership of Lane Morley, recently from Long Beach. The center, rear two storied building at the far end of the project is being made over as a residence for the owner. The Bona Venturi Photo Studio is located in one of the store buildings.

Auction Set For Cannery Equipment

Machinery, equipment, boilers and other operating facilities of of the Hunt Bros. Cannery in Campbell, valued at a half million dollars, is to be auctioned off to buyers from all over the United States on Wednesday, May 12, according to Fred Newburg, liquidating auctioneer in a statement to the Campbell Press late yesterday.

Newburg said buyers have been sent circulars in many parts of the United States, and that the sale may continue over the second day.

Hunt Bros. cannery here is tc be used as a warehouse according to a previous announcement. The real property is also up for sale.

Rotary Governor To Visit Local Club On Monday

George F. Bacon, Rotary District 1955 governor-elect, will be the featured speaker at the Monday meeting of the Campbell Rotary Club at noon in I. O. O. F. Hall.

In keeping with the fact that this is the golden anniversary year of Rotary the speaker's topic is "Rotary Hears Its History".

William Moniz is serving as chairman for the meeting.

Registration For New Kindergarten Term Next Monday

Spring registration for kindergarten children and new students for the 1954-55 school year will get under way Monday and continue for two weeks in the Campbell Union School district according to an announcement yesterday by William C. Henley, district superintendent. Children may be registered in the school of the area of residence.

For kindergarten, children must be four years and nine months of age by September 1 and those for the first grade must be five years and nine months on or before September 1 and it will be necessary to furnish proof of age by either birth or baptismal certificate.

Rotarians See How Human Body Like Structure Of Car

Dr. Henry C. Dahleen spoke on "The Human Body" at the Monday meeting of the Campbell Rotary Club in I. O. O. F. Hall.

Dr. Dahleen's talk was illustrated with cartoons as he compared the human body and its parts to an automobile.

Every point made in the talk built up to the fact that the human body is one of the most efficient machines ever made.

Dr. J. Frederic Snyder was chairman for the meeting.

Special Census Plans Made By City Council

Five ordinances relating to zoning changes were adopted by the city council Monday evening, while two annexation proposals were processed, two proclamations and one resolution were approved and steps taken toward a special census.

A petition bearing nine signatures protested the application to change zoning of twelve lots in Hamilton Square No. 1, to R-2 for duplexes mainly as it affects property facing Sheffield, Picadilly and Nottingham Ways but favorable to Hamilton avenue being so zoned. Ralph Weaver, the subdivider and A. J. DeSmit, the owner of the land contended building was being done under architectural control and of high standard. The proposed re-zoning had already been passed at two hearings although the protest petition did not appear until after the hearing of the planning commission had closed.

Weaver said most of the objections came from builders and speculators with lots in the adjacent Caputa tract and reported that a ten acre site on the southwest side of Leigh and Hamilton avenues had been sold as a church site. He contended that there is a definite demand for duplexes in the area and that a minimum of 1600 square feet of floor space is used, some being to 2400 square feet.

Leonard Garrison of 251 Maplewood avenue, San Jose was concerned about property on Sheffield and Picadilly. A. E. Roblek of 939 Sheffield, A. Franklin of 1629 Willowhurst and R. Olsen of 673 Lucot Way all spoke regarding the protest petition. Council acted on recommendation from the planning commission, approving the application for rezoning by a 4 to 1 vote, Councilman Gordon Daum casting the no-vote.

A proclamation in behalf of Lt. Byron C. Lanphear Post, Veterans of Foreign Wars was adopted setting May 28 and 29 as Buddy Poppy Day. Another set May 14 as Apprenticeship Day and May 10-15 as Apprenticeship week. Both were approved. A resolution warmly commending the organizational council for their work with no remuneration was introduced and adopted for recordation on the minutes book.

Following a report from City Clerk Dorothy Trevethan that $35,400 had been received from the state controller as in lieu funds from the motor vehicle fees, Councilman Gordon Daum proposed that a special census be called so as to benefit from increased apportionments from the state on motor vehicle fees, liquor license fees and gas tax fees. The state apportions on the basis of the 1950 census of 7,662 and he estimated the present population to be from 1000 to 1500 more than that figure today which would increase allocations to around $8000 annually until 1960 when the next federal census is made. Cost of the special census would be $1500 or less. Mayor Morton pointed out that if a lower census figure was determined, the city would lose proportionately but agreed that at budget time this should have serious consideration. Daum said postal returns, utility connections, school enrollments and other sources strongly indicate population increases since 1950.

Mark Thomas, city engineer was authorized to set grade stakes at 90 feet but have structures placed to provide for 120 foot widening of Hamilton avenue at the northeast corner of the Winchester intersection where an oil station is to be built.

Thomas submitted the tentative map of the Lewis E. Smith subdivision on North Central avenue saying it could have sewers as an easement to Hamilton avenue had been acquired. The air pollution board will not approve dry wells but a rock filled trench at the side of the road would be approved. Mayor Morton suggested that Smith, the subdivider put up a bond of $150 per lot assuring construction of storm sewers when the city was ready for them. Smith agreeing, so matter is to be sent to the boundaries commission, preferably with additional lots on the easterly side of Central avenue.

Councilman Daum proposed rigid enforcement of the business license ordinance in respect to out of town contractors, and council directed police enforcement. Daum also suggested a check on dog licenses, so after July 1 it is likely the dog catcher will cruise the streets for unlicensed dogs. Anyone getting a license now for a dog will have the time extended to July, 1955.

LeRoy Black was named officially as superintendent of streets so that he may enforce the sidewalk ordinance on and after July 1.

The Workmon subdivision map on the westerly limits of town was presented for final inspection. Some change in the building code to conform with the county status was authorized so that shake roofs will pass approval of the building inspector.

EIGHT MEMBERS OF ORCHARD CITY GRANGE RECEIVE THEIR 25-YEAR PINS

At the regular meeting of Orchard City Grange on Tuesday evening, A. J. Emery, grange master appointed Martin S. Walsh to present 25-year membership pins to eight who have been continuously associated with this Grange in Campbell. They were: Mr. and Mrs. Harry Barnes, John Gordon, Bessie Merrill, Mr. and Mrs. Herbert Shadle, Mrs. Anna Sawyer, and Mark Purmort. There are 28 members with more than 25 years membership. Those others not present at this meeting will receive their pins whenever they will be present at a meeting. The fifty year members have been honored several months ago. Harry Barnes who also holds the position of Executive member in the State Grange reported on the new G. B. O. Petroleum Contract which was signed this month with the Tidewater Associated Oil Co., promising new benefits. Richard Morril reported on the coming Ham dinner April 29 at the Odd Fellows Banquet Hall. Josephine Biller, lecturer, presented her program—The Song Bird in the Easter Parade and April Showers. The highlight of the program was picture slides by Miss Catherine Matasi who spent 6 months in Switzerland sponsored by the government as student exchange, who gave a very clear description of conditions on several farms where she was sent to. The Grange was very much interested and she was asked many questions. Next on the program was Bro. Fred Benley solo accompanied on the piano by Mrs. Louise Bentley.

Bessie Merril H. E. C. chairman announced the next meeting to be at Mrs. Catherine Shadle's home on May 7th.

Josephine Biller, lecturer, announced the next meeting on May 11th will be Men's night when the men will entertain and serve the ladies, this being Mothers' day week.

Refreshments were served after the meeting by Mrs. Anna Hedegard chairman assisted by Margaret Gammel, Jessie Le Velle, Harriet Miller, and Mark Purmort.

Council Committee Named By Mayor

Mayor Richard Morton at the council meeting Monday named the following standing committees for the new term:

Audit, Gordon Daum, chairman, James B. Arends Jr. and John M. Chargin; finance and licenses, Arends, chairman, Charles Rose and Daum; ordinances and franchise, Chargin, chairman, Arends and Rose; public health and safety, Rose, chairman, Daum and Chargin and streets, sewers, land, parks and public structures, Daum, chairman, Arends and Chargin.

Community Chest Unit Here Studies Federated Plan

The Campbell Community Chest Committee took no action toward joining the Federated Fund organization following a talk by Don Fuller of San Jose at the meeting in the Campbell High School, presided over by Carolyn Coons. The proposition is taken under advisement and is to be open for discussion at the meeting at the high school on the evening of May 24.

FUTURE IN FARMING

There is an optomistic note sounded from one member of the faculty at the Campbell Union High School today, in holding that farming has a great future for the young man just starting out on a career.

Farming has always been a major vocation in America and probably it always will. Successful farming calls for knowledge in a broad sense, not the least of which is a college degree.

Some government official said it will take $50,000 for a young farmer to get started today, and he might as well have said it will take that much for a young fellow to get started in the printing, the grocery, the furniture or any other kind of business, but you can't scare young Americans that way from trying short cuts on meager financing because they have a habit of making an eventual success of it. There is no secret formula and no springboard of capital start with, and we are in no different circumstances today than a generation ago. America, and Santa Clara County in particular, is a land of opportunity the horizon of which is never dim.

A politician, according to Congressman Charles Gubser, is a man who is working for the next election while a statesman is a legislator who is working for the next generation.

SPECIAL CENSUS FOR CAMPBELL

Councilman Gordon Daum on Monday night proposed that a special census be taken for Campbell so that gas tax, motor vehicle license tax and liquor tax apportionments to the city from the state might be increased in proportion to population increase. Most cities have already requested a special census and have benefited from these allocations.

What we get now from the state is based on our population of 7,662 in the 1950 count. For every name the city of Campbell this week received $4.61, or a total of $35,400 from the state as our share in the motor vehicle license fees. That comes about every year, as also does the allocation from the two other tax revenues.

It will cost the city about $1500 for this special census if the count is not more than 10,000. Of course if the count is less than the 1950 census, then the city stands to lose instead of gain by the official report. It is hardly likely that anything less than a 1000 increase in population will result from the special count in which event Councilman Daum points out the city could have from $8000 to $10.000 additional apportioned from the state to Campbell, which sum is earmarked for maintenance for highways of major importance.

It all sounds practical and business like, and the reaction from the Council was to give it serious consideration when budgets are set up. There have been many new homes and more families in Campbell since 1950 as indicated by the increased postal returns school enrollments, water and power connections and other known sources. The timing of the census however should have consideration, so that it is not conducted during a vacation period.

THE WORLD AT A GLANCE

ALL ABOARD! If you happen to be planning a trip to Mars, we have news for you—you should get started now. The reason is that, according to astronomers, Mars will be just about as close to us until the latter part of June as it will ever get. It's a mere 40,000,000 miles. This also brings up the point that if you're expecting the funny little men with fantastic space suits and weird weapons to drop in from Mars now is the time to get out the welcome mat—or head for the back country. As to a journey to our "near" neighbor in the skies, we understand that a space ship would have to travel 60 miles a minute to break away from the gravity pull of the earth. Assuming that it could maintain that speed all the way to Mars our calculations indicate that it would take a while to get there—about 15 months. Our advice, therefore to the would-be space travelers is to take something more than a ham sandwich along when leaving.

MAY DAY: The first day of May can be a very joyous or a very grim occasion. It depends on which side of the iron curtain your home happens to be located. On the sunny side, there will be the customary gaiety with a lot of pretty girls all dressed up in their finest, marching around the Maypole. On the shadowy side will be millions of somber-faced men marching around Lenin's tomb in Moscow and in the streets of many aother city where the Red hand of Communism lies heavily. It's a strange and frightening contrast between the West and the East. One wonders sometimes how this contrast, which seems ever to be deepening, could have come into existence. It has, however, and it poses upon us the great dilemma of our times. But let's not get lost in the world's troubles on May Day. Let's just be sure we get the kids up early enough for the happy festivities and let's hope, above all, that it doesn't rain.

A MOVEMENT Is getting under way with three established churches in Campbell to re-locate on sites which will provide better parking facilities and room for larger congregations . . . the Congregational Church of San Jose also has a ten acre site on the southeast corner of Leigh and Hamilton avenues and plans a building there soon . . . the Congregational Church of Campbell which 61 years ago was established on north Central avenue is buying a three acre site on the southerly side of Campbell avenue west of the high school at the intersection of Carlyn avenue. the First Methodist Church now opposite the library and postoffice buildings on Campbell avenue has a three acre site on Winchester avenue between Latimer and Hamilton while St. Lucy' Church on Rincon avenue will eventually relocate on the grounds property of St. Lucy's school on Kennedy avenue . . . just what effect these proposed changes will have on the city of tomorrow is hard to determine at this time but the present sites of two are valuable to a centralized business district . . . the Central avenue site of the Congregational church is near the city hall and fire station, while the First Methodist Church is presently located on a key business site.

HAMILTON AVENUE Is to become an important thoroughfare very soon as the state completes its installation of the four-way signal controls at the intersection, but it looks like a mess over there now . . . the east-west traffic and the north-south traffic is equally heavy and the two-lane San Jose-Los Gatos highway offers a steady flow of traffic which continually challenges egress from Campbell, Hamilton and Union Avenues.

LEIGH AVENUE, The easterly limits of Campbell may someday become a major feeder route from Willow Street in San Jose to Dry Creek which will be bridged so the avenue can continue over into Cambrian Park according to some of the master planning now going on and according to a report given the Campbell city council Monday by Nestor Barrett, planning consultant . . . the westerly side of Leigh avenue from Hamilton to Sheffield avenue only is in the city limits and our side of the road is already being widened.

A BUNCH OF THE BOYS Were whooping it up on one of the buses bound from Campbtll to the ball park in Oakland Sunday when they began to get hungry so at Niles they stopped at the International Cafe just prior to the scheduled arrival of a wedding party, and having no reservations, food was in doubt, except that a couple of waitresses huddled and cogled, then told the boys if they could down the food in a hurry and get away they could sit at the wedding party table, so the boys got in under the wire with some very special service from Marie Quartarolo and Terry Calloway, and wants we should say "Thanks" to them through the Campbell Press.

Six Schools In Band Festival At Santa Clara

In the eighth annual Santa Clara County Band Festival yesterday at the Santa Clara High School, six bands took part in the program including the Campbell High School band directed by Dick Gordon.

Each of the bands played three numbers of their own choosing. No ratings were given but Thomas E. Eagan, professor of music at San Jose State college, acted as adjudicator. The first county band concert was held in Los Gatos eight years ago with four bands participating.

Directors of the various bands included Douglas Harville of Fremont High School, Lyle Campbell of Mountain View, Dick Gordon of Campbell, Dick Cresta of James Lick, Orin Blattner of Los Gatos, and Gaylord Chamberlain of Santa Clara High School.

Schools Of County Have 17% Increase Daily Attendance

The public school districts in Santa Clara county this year, 1953-1954, are receiving $9,810,458 in "principal" state apportionment alone, compared with the $8,369,057 state support to the districts last year, including "principal" and first and second period growth apportionments, California Taxpayers' Association said today.

Property tax levies for the school districts in the county for this year amount to $14,657,610, compared with $13,211,147 for last year. The levies cover operation, debt, and other school district purposes.

School attendance base for the state apportionment for this year (average daily attendance for 1952-53) was 63,518, compared with the 57,209 attendance base for last year's state support.

KEN WALLACE TO PRESENT THEATERAMA IN CAMPBELL

Kenneth Wallace, director of drama at Campbell High School will introduce for the first time in this area a, "theaterama" on the evening of Friday, May 14th.

It is the circle theatre idea of center staging already popular in the east. The stage is center with the audience facing it as though watching a boxing match in a ring. Everyone has a perfect view of action. No sets are needed but scene changing and lighting is a problem.

Wallace isn't concerned with the problems. He said, "The purpose of this show is to experiment with central staging. In this premiere performance we'll try a sports event, a choir, some singers, dancers, comedians, and instrumentalists. We'll present these acts with the focus on four sides rather than the usual one. We'll change scenes by dimming the lights or darkening the room altogether. And we'll use color to set a mood; this won't be easy but we'll accomplish it by running seven hundred feet of wire from the auditorium stage to the music room, where this experiment will be presented. At this point I'm most interested in new sound technique; if we succeed, it will appear to come three dimensionally from all directions."

The sports part of the program will feature a judo exhibition by Bill Montero and a yet-to-be-selected opponent (any volunteers?) Willis Dahl, Joyce Gomes and "their friends" will comprise a Western Group, singing of the open range by simulated camp fire.

Dance Groups, under the direction of Mrs. Virginia Jennings, will present one ballet number and one bull fight performance. Fred Buckingham and Eddie Goulart will offer a change in pace with some Hope-Crosby type comedy, and, of course, the semi-professional sophomore, Elaine Grizilo, will win the evening's most enthusiastic encores with some of her Betty Hutton type extroversion.

The highlight of the evening will be "Bread", the drama of a farm family in Kansas who learn the hard way that there are other things in life than self-satisfaction. The cast will include Joyce Hansen, Carol Chamberlin, Chuck Nelson, Lois Fairbanks, Janice Muslow, and Bud Feasel.

All of the evening's music will be top-drawer. A 65 piece Campbell Union High School Choir, under the direction of Mr. Frank Triena, will sing that famous Fred Waring Production Number, "Ballad for Americans" in which we're all made to realize what made our country great and what we need to keep it that way. Another instrumental number will feature Mary Munson, Dick Hodges, Ken Munson, Jim Annand, Lance Hortenson, Dick Tuttle, and Andy Hilbun as a "different" seven piece brass choir.

The performance will take place in the Band Room, directly West of the high school auditorium.

Whist Party Friday By St. Lucy's Club

The regular whist party sponsored by St. Lucy's Women's Club will be Friday at 2:00 p. m. in Library Hall.

There will be prizes and refreshments and the public is invited.

Committee includes Mmes. Ira Grim, Cel Gerevas, Manuel Vintro and Misses Nellie and Ellen O'Hearn.

Marianne Morell To Be Presented Montalvo Recital

Marianne Morell, charming lyric soprano who appeared at the Country Women's Club Library Tea in March, will give a vocal recital at Montalvo in Saratoga on Sunday, May 9, beginning at 3:30 p. m. This will be the final program of the Music Festival at Montalvo, which coincides with National Music Week, and the public is invited free of charge.

Mrs. Morell is the wife of Dr. Willard B. Morell, who maintains offices in Campbell. She has sung professionaly for a number of years, particularly in the North West. Her musical training, which is extensive, began at an early age. For ten years she studied violin; then, at seventeen, enrolled in the University of Michigan music department.

The recital at Montalvo will be be Mrs. Morell's first formal appearance in this area; however, she has appeared as solo soprano in many local churches, and sings reguarly at the First Methodist Church in Los Gatos. She has been guest entertainer at numerous social functions in the Willow Glen-Campbell-Los Gatos region.

Before coming to Santa Clara Valley, Mrs. Morell lived in the North West, and later in Napa, and did much solo work at this time, including a weekly radio show in Oregon.

She will be accompanied by Henry Holt, distinguished concert pianist, vocal coach and accompanist now living in Palo Ato. Mr. Holt, who recently returned from a tour with Lily Pons, was a member of NBC's First Piano Quartet in New York, soloist with the Vienna Philharmonic, and is at present director of the Simponetta in Palo Alto.

The charities that soothe, and heal, and bless, lie scattered at the feet of men like flowers.

Al Smith Disagrees That

STARTING COST IS TOO HIGH IN FARMING FOR YOUTH OF TODAY

Is farming getting to be an old man's business? U. S. Agriculture officials fear that the trend is in that direction and claim they have the figures to prove it. They sound mighty discouraging to Future Farmers:

"The capital needed to go into farming has doubled since 1904. About $50,000 is required now. It is getting harder and harder for a beginner in agriculture. The average farm owner now is 51 years old; the average tenant farmer is now 40."

THE CAMPBELL PRESS approached Al Smith agriculture teacher at the local high school for his opinion. Smith has been a resident of our county all his life; few know more about farming or "what it takes".

Smith said, "That's hogwash!! There are more opportunities for youth today in farming than ever. It's true that it is difficult to "start as an owner", unless you inherit a farm or marry one. But there are fine jobs available as farm managers which in many ways is better than ownership. You have no risks and you work on a fixed salary plus a percentage of the profit. Over 25% of the farm and in Santa Clara County is leased."

Smith admitted that there was some danger in high school agriculture graduates being too optimistic. "Some of my students are dreaming about starting right out with a 300 head herd of cattle which they merely have to corral as they ride their purty white horse over lush pastures at sundown."

"But for a boy willing to work, there area lot of open jobs in agriculture. Our field is decreasing in numbers in a day when as much tractor, threshing, or spraying work needs to be done."

Al Smith feels that it is a shame that most of our so called "gifted people" go into fields other than agriculture. "The boys with brains end up in electronics or engineering where so many geniuses are pitted against other geniuses that only the super geniuses are getting anywhere!" he continued. "Actually as much talent is needed for designing tractors as in electronics."

The agriculture teacher made some interesting comparisons between farms and small businesses. "The average farm is worth as much as the average grocery store, and young men don't go right out and buy grocery stores after leaving school either. The thing to remember is that amost all of us started at the bottom.

"If I were a young man starting out today, I'd still choose farming. The best deal around here are in poultry or dairies where it is possible to turn so much of your labor into income."

Bohnett Home Is Scene Of Reunion Early Pioneer Kin

A large number of descendants of George Major Hanson, California pioneer, gathered at the home of Mrs. W. C. Bohnett in Campbell last Sunday for an all day picnic and family reunion.

Hanson and his family came to California in a covered wagon in 1849. In almost destitute circumstances upon his arrival Hanson soon came to prominence in the early history of California.

He was at one time engaged in the grocery business, founded several California newspapers and was United States Indian agent under Abraham Lincoln.

In early 1850 he constructed the first toll bridge over the Feather River between Marysville and Yuba City. One year later he assisted in the establishment of Pacific University at Santa Clara, later changed to College of the Pacific which later was moved

JUNE GOMES WEDS VERL WEITZEL IN CANDLELIT NUPTIAL MASS

A bridal gown of white lace and nylon tulle, designed with a cathedral train was donned by June Gomes when she exchanged vows with Verl Weitzel in a nuptial mass at eleven o'clock Saturday morning. Scene of the ceremony was St. Lucy's Church with Father Dennis Kenneley officiating. Joseph Gomes gave his daughter in marriage.

Completing June's attire was a tiara of seed pearls, securing the tiered cathedral length veil. She carried a spray bouquet of lilies of the valley and white orchids.

Large baskets of lilacs, stock and greenery graced the altar adding beauty to the candlelit ceremony.

Joyce Gomes, serving her sister as maid of honor, wore an aqua formal length gown, with matching Juliet cap. Bridesmaids were Misses Janet Gomes, Marie Valich, Irene Weitzel, Lois Weitzel, Betty Sparks, and Jeri Anzoli. They wore identical formal length gowns of pale pink. Dainty umbrellas of blue and white carnations, enhanced the attire of all bridal attendants.

Little four year old Joan Gomes preceded her sister in a dainty baby pink dress with bouffant skirt, carrying a floral umbrella of pink and white carnations, dropping orange blossoms along the beribboned aisle.

Norman Weitzel served his brother in performing the duties of best man and usher, also serving in the wedding party were Jerry Gomes, Paul Shommer, Raymond Copeland, Ronald Reeves, George Dobbs and Howard Morehead.

Approximately 300 guests congratulated the newlyweds at the reception held immediately following the ceremony, in the American Legion Hall of Los Gatos, where a four tiered wedding cake graced the flower appointed wedding table.

Mrs. Gomes, mother of the bride, selected a pure silk gown of spring blue with pink accesories, and fur stole. She pinned on a white orchid corsage.

As Mrs. Weitzel greeted guests at her son' wedding, she was attired in an afternoon frock of blue, complimented by a lace bodice and matching blue jacket. She too pinned on an orchid corsage.

The couple will establish their home on Leigh avenue following a honeymoon in Las Vegas.

The new Mrs. Weitzel, daughter of Mr. and Mrs. Joseph Gomes of Hamilton avenue, attended Campbell High School and is now employed in San Jose.

The bridegroom, son of Mr. and Mrs. Henry Weitzel of Hamilton avenue is also a Campbell High School graduate, currently employed in San Jose.

St. Lucy's Guild To Elect

New officers are to be elected next Tuesday at a meeting of the St. Lucy's Guild. Progress is reported on the sale of tickets for crochet articles to be awarded on June 5, following the Guild social and buffet dinner, according to Mrs. Ralph Doetsch, chairman. At the April meeting of the Guild, the guest speaker was Mrs. Joseph Christensen, president of the Santa Clara County Guild of Parent and Teachers.

Christian Science Lecture Notes

How the selfishness and egotism which would impede man's spiritual progress can be overcome through obedience to God, divine Love, will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Everlasting Punishment" includes the following verses from the King James Version of the Bible:

"As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me (Revelation 3:19, 20).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will also be read:

"In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error,- self-will, self-justification, and self-love,—which wars against spirituality and is the law of sin and death" (242:15).

The Golden Text is from Job: "Surely it is meet to be said unto God, I have borne chastisement, I will not offend any more" (34: 31).

Campbell A Capella Choir To Be Heard At Montalvo Sun.

National Music Week, May 2 to 9, will be celebrated at Montalvo in Saratoga with three separate programs featuring artists and performers of wide local interest.

Opening the Music Festival at Montalvo this Sunday, at 3:30 p. m. will be the music of the A Capella Choir of the Campbell Union High School, directed by Frank Triena, and chamber music selections by Helen Pigarow, pianist, and John Loban, violinist, both of San Jose State College.

Bucs In Crucial Track Meet With James Lick Friday

Cinder path speedsters of Campbell High retained an unbeaten record Friday in a dual meet with Mountain View scoring 81 1/6 to 32 5/6 victory over a windswept field.

Both Forrest and Davis of Campbell tied for first place in the high jump at 5 foot seven with Hoover of Campbell and Navarro of MV tied for third. Gregg heaved the shot put 51 feet 2½ to take first place with Moore of MV second and Profit of Campbell third, but Gregg had to be satisfied with second place in the discus as Moore of MV threw the disc 125 feet five inches.

Sakamoto of Campbell won the 100 and 200 yard dashes while Beth took the mile. Sprecher of Campbell took the high hurdle and Cureton of Campbell the low hurdle events. Tuttle of Campbell went 11 feet three inches to win the pole vault, while Buck, Cahill and Cureton all of Campbell took first, second and third places in the broad jump.

A crucial meet is slated for tomorrow as the Bucs face the James Lick track team for what may turn out to be the title event of the SCVAL.

Volunteer Firemen Turn Out For Drill

Members of the Campbell Volunteer Fire Department reported for the second regular bi-monthly fire drill Sunday at 9:00 a. m.

Drill took place on Hyde Alley and men worked with heavy hose and nozzles.

Personnel included Capt. J. B. Scott, Assistant Chief Walt Silberbauer, Capt. Jack Chappel, Lt. Herb Power, Lt. Joe Meckler.

Fireman Harlan Johnson, Joe Lipari, Sal Lipari, Otto Meckler, E. Weeks and C. Pashote.

Local Gardeners Are Preparing May Day Baskets

The first community-wide annual May Day Festival will be held Saturday, May 1, from noon until 5 p. m. on the campus lawns of San Jose State College.

May baskets and floral arrangements of seasonal blooms, representing all sections of the valley will be shown in the college corridors, according to Mrs. Bertha Rice, general chairman of the events.

"The Need For More Parks And Recreational Facilities" will be discussed by Wm. Freitas, chairman of the committee of civic minded citizens spearheading this movement.

Representatives from this area include Mrs. Robert Dunn, president of the Campbell Garden Culb and Mesdames Fred Dose and James Goble, representating the Blossom Valley Garden Club and Los Gatos respectively.

May Day baskets and table arrangements are being designed by Mesdames Chas. Smith, Ray Burnett, Anthony Leal, B. L. Roberts, Rae Prince, and Robert Dunn.

Campbell Lions Seat 34 At Dinner

The annual "Tail Twisters steak dinner at Adobe Creek Lodge last Friday evening was attended by 34 members of the Campbell Lions Club.

Some members of the group went early to enjoy an afternoon of swimming. They were joined by the rest at 7:30 p. m. for dinner and an evening of fun.

Doug Beatty served as chairman for the event.

BOB STUBBE WINS $50 ESSAY CONTEST

Bob Stubbe, son of Mr. and Mrs. R. F. Stubbe of Campbell, last week was awarded a $50 bond for winning second place in the San Jose Sales Executives Essay Contest.

Bob, a senior at Campbell High School, was also awarded the $10 cash prize for placing first at his own school.

His essay on "Selling as a Career" has been forwarded to New York to compete in the National Sales Executives Contest.

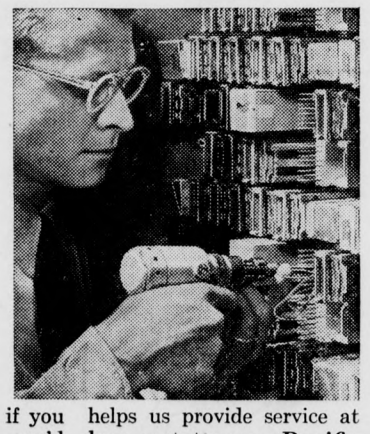
New gun shoots wire instead of bullets



If you ever visited your local telephone office, you most likely were amazed at the thousands of small wires that connect the intricate equipment. It used to be that each tiny wire connection had to be soldered by hand. But today, on some kinds of equipment, a new wire wrapping gun is used.. It literally "shoots" wire around a terminal. And it grips so tightly that, if you tried to pull it loose, you'd break the wire first. By doing an important job faster, better, cheaper, the wire gun helps us provide service at low cost to you. **Pacific Telephone works to make your telephone a bigger value every day.**

Long distance calls now cost you less

The reduction in excise tax from 25% to 10%, voted by Congress, is good news for long distance telephone users. All of the reduction will go directly to our customers. It means that every long distance call you make—to anywhere in the country — now costs you less.

Enjoy the convenience of an extra telephone for just pennies a day

Anywhere in your home—in the bedrooms or kitchen . . . in the garage or basement—you can enjoy the added convenience of an extension telephone. Extensions make it easier for the whole family to place calls, receive calls. And this step-saving service is yours for just pennies a day. To order your extension, call our business office today.

Telephone Employees Donate Blood

Pacific Telephone employees recently donated 80 pints of whole blood in a single day to the Santa Clara County Mobile Blood Bank. The blood bank was set up at the central office building at 95 Almaden Avenue, San Jose.

Telephone employees have donated to the blood bank each year since its establishment in 1950. According to Earl Vaughan, San Jose Test Center Supervisor who serves as Chairman of the Blood Credit Club, interest in the club has shown a steady increase each year.

Portraits In Oil In Exhibit Here

An exhibit of oils and water colors is now on the Los Gatos Art Association sponsored walls at Ribble's Store, 200 East Campbell Avenue.

In this exhibit are some portraits in oils. The College Girl was the first prize winner at the Association's juried show in 1953. The Little Girl and Dove has won in several shows. A surprise in th eexhibit to a customer to the store was to find The Old Gentleman, a portarit painting of his grandfather.

An Easter Open House and an art exhibit was held Easter Sunday by the Los Gatos Artists at their new Center, Austin way and Lancaster Road. Forty paintings and five scuptures were shown to about a hundred people.

Narcotics Bill Is Key Issue Says Spencer Williams

Developments during the past week in Santa Clara county's political race for the 29th Assembly District centered around the narcotic control bill, AB 85.

Spencer Williams, Santa Clara County deputy county counsel and candidate for the Assembly seat, in outlining his approval of the bill pointed out that support for the measure has been expressed to him by law enforcement officials concerned with the measures provisions in all departments of government.

Among the most urgent of these, Williams feels, is a scientific, unprejudiced approach to the entire field of traffic safety. Too much traffic legislation in the past has been placed piecemeal on the statutes, according to Williams. The ever increasing death and injury total demands a complete overhaul of the existing laws with the assistance of California Institute of Technology and University of California scientists, the safety departments of the insurance, bus and trucking companies and of the automobile clubs, and the practical knowledge of the state highway patrol and local law enforcement officials, he believes.

GRANGE SONGBIRDS ENTERTAIN 150 VISITORS HERE ON TUESDAY

One hundred and fifty ladies from various points in Santa Clara County and representing twelve subordinate Granges and the Pomona Grange were entertained with a pot luck luncheon in the Odd Fellows building on Campbell avenue Tuesday noon with the Home Economics Club of Orchard City Grange as hosts.

Following the luncheon, Mrs. Sarah Bishop of Pomona H. E. C. called a meeting to order and introduced the Songbirds of Orchard City Grange, seven ladies dressed for an Easter parade attired in beautiful, large Easter bonnets who sang "Easter Parade" and "April Showers". The hall had been decorated profusely with flowers honoring Goddess Flora.

Honored guests were Mrs. Mabel Glenn, State Grange Home Economic Club chairman; Mrs. Elizabeth Sehlmeyer; Mrs. Effie Spencer, State Grange Flora and Mrs. Florence Sheffer, Home Economics District Deputy. Mrs. Glenn commented on the outstanding welfare work of the club in a talk on the Wheels of Progress. Mrs. Sehlmeyer spoke on the spiritual growth, strength and dignity of the H. E. C. members, which she said was more beautiful and more becoming than the best dress of the lady in the Easter parade. Mrs. Spencer and Mrs. Sheffer also gave brief talks. John Gordon, District Deputy, asked the ladies to help in the drive for new members stating that we have now 1777 members in the county hoping to bring the number up to 2000 this year.

The twelve (12) chairmen of the subordinate H. E. C. were asked to report on their various activities. All of them are working on some project for the welfare in their respective communities.

The next Pomona H. E. C. meeting will be held on May 24th at the Coyote Grange Hall.
